The University Senate seeks nominations for Senate Vice President / President-Elect. We welcome all nominations for this important office, including self nominations.

The Senate Bylaws define the Senate Vice President / President-Elect in section 4.2:

"The person elected Senate Vice President is automatically elected to the separate office of Senate President-Elect. ... The responsibilities of the Senate Vice President shall include but are not limited to chairing Senate meetings when the Senate President temporarily steps down or is absent, chairing the Committee on Committees, being a voting member of the Senate Executive Committee and Faculty Advisory Council, and assisting the Senate President in governing the Senate as requested. The Senate Vice President shall assume the Senate Presidency when the Senate President vacates or resigns from the office unexpectedly…"

Any member of the Statutory Faculty is eligible to run for Senate Vice President. The Statutory Faculty is defined by the UO Constitution as "the body of professors consisting of the University President, tenure-related officers of instruction, career non-tenure-track officers of instruction, and officers of administration who are tenured in an academic department."

The person elected to this position would hold the office of Senate Vice President/President-Elect during academic year 2014-2015, and would then assume the Senate Presidency for academic year 2015-2016.
