## **POLICY**

As each institution is scheduled for its periodic general accreditation by the Northwest Association of Schools and Colleges, it is necessary to prepare a comprehensive self-evaluation report. Although the report is principally and appropriately focused on instruction, research, curricular matters, and academic staff, there are significant sections regarding institution mission, governance, and finance. These sections necessarily relate to the Board and the Chancellor's Office. In order to avoid discrepancies or ambiguities in the text of these sections, the Board asks that institutions submit a copy of the draft of the self-evaluation document to the Chancellor's Office for review and comment.
