## **ENACTMENT & REVISION HISTORY**

Admission Policy for 2002-03 Academic Year—Adopted at Meeting #694 February 16, 2001, p. 7. (See also minutes from the Board’s System Strategic Planning Committee, February 16, 2001.)

## **POLICY**

The Board annually considers admission requirements for System institutions. In accordance with Board policy, admission requirements are considered and adopted in February of the calendar year preceding the academic year in which they will be effective (e.g., February 1990 for academic year 1991-92). The adoption of admission requirements may include policy recommendations as well, and the requirements have an impact on enrollments. Since both admission requirements and enrollment management policies are lengthy and change annually, the most recent relevant actions adopted by the Oregon State Board of Higher Education are cited below.
