Undergraduate Council Chair

RE: UGC End of Year Report
June 14, 2017

The Undergraduate Council met five times during each term during the academic year. Additional meetings were used to plan agendas for the full-Council meetings. This was an exceptionally busy year for the UGC to review program proposals. In addition, the Council passed two policies (Major Declaration Policy and Elimination of the Y Grade). All agendas and notes are available through Maeve Anderson, Executive Assistant to Vice Provost.
