

Lisa A. Mazzei
College of Education
Professor, Education Studies

Please consider my candidacy for University Senate, College of Education, Term 2023-2025. I am an advocate of faculty governance, open communication, and robust dialog. I am currently in my 11th year at the University of Oregon. During this time, I have served the College and University in multiple capacities. Highlights of **department service** include Program Director for the Critical and Sociocultural Studies in Education (CSSE) Doctoral Program. Highlights of **college-level service** include my role as a member of the following: COE Curriculum Committee; Faculty Personnel Committee (having served on both the TTF and CNTTF committees); and External committee member for multiple doctoral students across the college and university. In service to the **university**, I have served as a member of the Raymund Fellow Selection Committee and the Graduate School Diversity Committee. I am an active member of United Academics (UAUO), the faculty union for CNTTF and TTF faculty and researchers. Currently I serve as Chair of the Politics Committee for UAUO, and as a member of the Executive Council. I also serve on the statewide legislative committee for AAUP Oregon. With your support, I look forward to serving the College and University as a member of the Senate.
