

Michael Tomcal, Lundquist College of Business

Intercollegiate Athletics Advisory Committee Candidate Statement: Michael Tomcal

I am a Senior Instructor I of Accounting who has been a member of the Lundquist College of Business faculty for over 19 years. During this time, I have taught classes in financial accounting, managerial accounting, and taxation. I have served on departmental, college, and university committees and currently serve on the University Student Conduct Advisory Committee (SCAC). I was a SCAC faculty member during the recently completed revision of the University Student Conduct Code. I have worked in private industry, owned numerous businesses, and done business consulting.

I am a candidate for the Intercollegiate Athletics Advisory Committee. I hope to provide a new perspective on policies, proposals, and issues of concern to students, student-athletes, staff, faculty, and administration. We are entering a new era in college athletics, especially regarding rules and finances. This new era demands more openness and transparency, requiring a solid voice and steady guidance. I intend to bring my years of experience to the Committee and look forward to sharing my education, accounting, and business knowledge to achieve better outcomes for all stakeholders.
