

Anna Hindley, Executive Support, CAS ASU 3

University Senate Seat

I have been employed in this role since November 2023, before that I was employed briefly in the office of the SVPFA, here at UO, and before that I worked at University College London (UCL) for 20 years in a variety of roles including EA to a succession of Deans of the Faculty of Arts and Humanities, and one Dean of The Bartlett School of Architecture, and several years as Graduate Operations Manager for the School of Life and Sciences Academic Careers Office, managing graduate funding.

As a relatively new member of Classified Staff here, I hope to offer an outsider's perspective, sometimes observing what old hands can miss through familiarity. I am particularly passionate about issues affecting women and other marginalized groups and feel that more focus could be given to issues around accessibility for diverse populations.

It would be an honor to serve on the University Senate.
