

Senate Candidate Statement: Michael Tomcal

After teaching financial accounting, managerial accounting, and taxation for over 20 years, I am running for the University Senate to represent the Lundquist College of Business. I have served on various committees and have extensive experience in private industry, business ownership, and consulting. As a member of the Senate, I'll use my expertise to provide a fresh perspective on policies, proposals, and issues affecting students, staff, faculty, and administration. My goal is to bring openness and transparency to the Senate, and to ensure that your voice is heard. With my knowledge in education, accounting, and business, I am confident in my ability to represent the LCB effectively.
