

Tim S. Pack, Ph.D.  
Senior Instructor of Music Theory  
School of Music and Dance

Since joining the faculty at the School of Music and Dance in 2005, I have served on several committees within the SOMD, such as the Undergraduate Advisory Committee, Promotions Committee, and Search Committee. I have also served on campus-wide committees, including All Hands, C.I.E.T., and the Online Advisory Committee. I am passionate about contributing my best while listening to and working with our colleagues throughout the campus community for the purpose of helping our students achieve an outstanding education.
