

## Senate Candidate Statement: Michael Tomcal, College of Business

I am a Senior Instructor I of Accounting who has been a member of the Lundquist College of Business faculty for over 18 years. During this time, I have taught classes in financial accounting, managerial accounting, and taxation. I have served on departmental, college, and university committees and currently serve on the University Student Conduct Advisory Committee (SCAC). I was a SCAC faculty member during the recently completed revision of the University Student Conduct Code. I have worked in private industry, owned numerous businesses, and done business consulting.

I am running for the University Senate to represent the Lundquist College of Business. I hope to provide a new perspective on policies, proposals, and issues of concern to students, staff, faculty, and administration. We are entering a new era of openness and transparency that will need a strong voice and steady guidance. I intend to bring my years of experience to the Senate and look forward to sharing my knowledge in education, accounting, and business.
